Battlezone is a first-person  
shooter strategy video game  
developed and published by  
Activision. A remake of the  
arcade game the same name, it  
was released for Microsoft  
Windows in 1998. In 2000, a  
Nintendo 64 port was released  
under the name Battlezone: Rise  
of the Black Dogs. Aside from the  
name and presence of tanks, this
